PROFILE

FIBER OPTIC NETWORK DESIGN AND IMPLEMENTATION
ALL KIND OF HEAVY EQUIPMENT RENTAL SERVICES

About Us

Raza Al Hadith Contracting Co. is a Saudi-based engineering and infrastructure firm committed to advancing the Kingdom's digital future. Specializing in Fiber to the Home (FTTH) solutions, the company delivers full-scope Outside Plant (OSP) infrastructure services that power smart cities, sustainable communities, and the digital economy

The Raza Al Hadith Contracting Company. is also offering the best rental and manpower requirements in the ever expanding market of the Kingdom

At Raza Al Hadith Contracting Company, we take great pride in being a reliable partner for all your equipment rental and manpower needs. With a strong focus on safety, we go above and beyond to ensure that every aspect of our services meets the highest standards. Our mission is to empower your business by providing top-quality equipment and highly trained manpower.

We understand the importance of efficiency and productivity in today's competitive landscape. That's why we offer a wide range of heavy duty and light duty equipment, meticulously maintained to deliver optimal performance. Our skilled trainers are dedicated to equipping your workers with the knowledge and skills necessary to handle our equipment faultlessly, ensuring smooth operations and minimizing downtime

Standards & Compliance »

Raza Al Hadith adheres rigorously to :

Ministry of Communication and Information Technology (MCIT) & CST or CITC standards for national broadband infrastructure

Dawiyat Integrated Company's technical specifications, quality protocols and documentation formats

Our processes ensure future-ready network scalability and interoperability with government and private sector digital initiatives
